Dear Phil

Outdoor Seating Project

Thank you for your extreme generosity in organising (at no charge) the clearing and concreting of the area sited for our outdoor seating project.

We now have a fantastic quiet area within the school grounds, which we really appreciate.

We hope to invite the interest of the local *Guardian* to highlight your involvement and the efforts of the many parents and friends who support our fundraising. In the meantime, we extend a huge "thank you" from the most important people to benefit everyone's hard work, the pupils of Valley Gardens.

Yours sincerely
